SRS Home & School Association Subsidy

For the 2017-2018 school year, the cost of educating a student at St. Rose is projected at \$5,700+ per student. Since tuition accounts for less than half of this cost, the remaining balance must come from outside sources. SRS HSA is one of these sources. Therefore, fundraising is a vital function of our school, and we ask that everyone does their part.

SRS Home & School Association Agreement

Your family's decision to volunteer for HSA events is encouraged, but elective. Upon enrolling at registration, you will receive an agreement (See Attachment) on which you will indicate your choice to participate and earn 7 service points under the SRS HSA agreement or pay the full tuition amount of \$5,700. Paying the full tuition amount exempts you from earning service points. SRS HSA fundraising events generate financial support for our school and require numerous workers to be successful. This is also a great way to get to know everyone, communicate and connect in our St. Rose School Family by building friendships, fellowship, and fun!

Event Signup - Signupgenius.com

Signup for SRS HSA events is maintained in an online format at www.signupgenius.com. Periodically, direct links to events will be emailed, but you may also search this website for SRS HSA events with the "Search by Email" link using the email address: srs.hsa@strosecardinals.org. The link to "Find a Sign Up" is located at the top right of the home page. It is recommended that you create your own login. This will allow you to edit or change any of your items which is your responsibility. SRS HSA Officers, School Personnel, and Staff cannot edit shifts that individuals sign up for. It is your responsibility to make any necessary changes.

Service Point System

The system is a thoughtfully organized method that facilitates participation of school families in a collaborative effort to raise funds for our school.

- You earn service points when you work or chair a slot at a SRS HSA event.
 - SRS HSA service points event opportunities begin in June and end in April
 - 1 service point is equivalent to \$200
 - Each shift worked earns the number of service points assigned to that shift in SignUpGenius
- The **FAMILY MAXIMUM** at every event is **2 POINTS** unless serving as an Event Coordinator, Chairperson, Co-Chairperson, or the single slot specifically states a higher value (e.g., the Chicken Frying shift at Praha Veteran's Dinner is 3 points – only one shift may be worked per family)
- Points above the family maximum can **ONLY** be earned in the following circumstances:
 - Serving as Event Coordinator, Chairperson, or Co-Chairperson
 - Working the Fall Into Step Gala – The FAMILY MAXIMUM is 4 points due to multiple preparation days and number of workers needed to host a successful event.
 - Working beyond the scheduled time or covering a shift in the event of an unforeseen circumstance occurring at the time of event – provided the following criteria have been met:
 - The chairperson of that booth/event approves your time served
 - The extra shift is short workers
 - The entire shift is worked to earn the extra point
 - Only 1 extra point per event may be earned
- Earning Examples:
 - You and your spouse may work at the Hamburger Stand for a shift and earn 2 points (your maximum for this event) or you can work a shift at the Hamburger Stand and your spouse can work a shift at the Ring Toss, and your family will earn 2 points (your family maximum).
 - If you are chairing a booth, you have already earned your point maximum. If your spouse then chooses to work a shift at another booth, no additional point is received. The point value of your chair position is your family maximum for that event. For example, if you chair the Ring Toss and your spouse works a shift at the Hamburger Stand, your family will receive 3 points (the value of the Ring Toss chair position).
- The person signed up to work an event must be an adult, and may include a relative or friend. You may not have your child/student work in your place.
- There may be service hour opportunities for students that signup for SRS HSA sponsored events. This information will be listed on the event signups.
- If you sign up to work a shift, and that booth is shut down before your shift starts, please visit other booths to see if you can provide assistance. If your assistance is not needed, you will still earn your point, but must contact the chair of the booth you were originally signed up for.
- All cancellations or shift changes should be done three days prior to an event by contacting the chairperson, and then making the appropriate change on signupgenius.com.
- You are not limited to 7 points! Throughout the year, there will be many events that may have empty slots available. Please consider volunteering your time for St. Rose. Remember the proceeds benefit your children!

Service Point System Tracking

- SRS HSA event point earnings are entered and tracked in RenWeb, our school management system.
- When you serve at an event, make sure and sign in on the Sign-In Sheet for that booth. If you cannot find it, please ask the chairperson for it. These sign in sheets are record of shifts worked. Please write clearly so that you get proper credit. This is your responsibility. The booth chair turns in their respective sign-ins to the SRS HSA Vice President for final point credit record.
- The SRS HSA Vice President is responsible for keeping track of service points earned.
 - Point statements are issued in August and 3 times during the year to help families know where they served.
 - Statements are also available by request to the SRS HSA Vice President
- Point earnings for each family should be complete by April 30, 2018. At this time you will receive a final statement of earned point values which may also include the following if you did not complete the 7 service points:
 - \$200 fee per unearned point (7 required points – total earned points = unearned points)
 - \$200 fee for not working a mandatory event
 - \$100 fee for not showing up for any shift/s you or your family signed up to work at a mandatory event.
(this would be in addition to the \$200 fee for not working at a mandatory event)
- Special considerations will be given for families that registered in August or later. It may be difficult to meet the service point obligations in this circumstance. We do ask that these families make every effort possible to serve at any remaining SRS HSA events.
