St. Rose of Lima Catholic School
Parent/Student Handbook

PREFACE

Basic information about St. Rose of Lima Catholic School is contained in this handbook. We believe it will benefit all those affiliated with the school. Specifically, we ask all parents and students to become familiar with the philosophy, guidelines, and policies as they are outlined in the following pages.

History, past and present, shows our school to be a most reliable and efficient educational institution built and supported by the sacrifices of the parish community and concerned parents and grandparents seeking quality education for their children and grandchildren. Its special attraction lies in experiencing it as a living and loving community, continually striving for a greater appreciation of the intrinsic value of each student, and eliciting from that student continual growth toward the full measure to which he/she is called by God.

May these pages bring a deeper understanding of our purpose and may the spirit of good will and cooperation, which is part of St. Rose of Lima, continue to bring God's blessing on all.

HISTORY OF ST. ROSE OF LIMA CATHOLIC SCHOOL

St. Rose of Lima Catholic School has a long history that began in 1889. Father John Kirch, the pastor of St. Rose of Lima Parish, asked the Congregation of the Sisters of Divine Providence in San Antonio, Texas to operate St. Rose School which was built that same year. The first School was a simple frame building under the direction of Sister Mary Pelagie Biegel, with a beginning enrollment of twenty-three pupils, but which increased that school term to fifty. By 1893 the enrollment had passed the one hundred mark.

Around 1895, Santa Rosa, as it originally was called, became a public school, which the Sisters continued to staff. When in 1914 Governor James E. Ferguson appropriated money to aid rural schools, Schulenburg opened its first public school and St. Rose became a parish-sponsored school.

In 1930, the old structure was replaced by a red brick building at the cost of \$36,000. From 1934-1937 St. Rose had a high school with an enrollment of 237 (grades 1-12). In 1953 lay teachers were employed for the first time.

In 1959 a three-classroom building was moved from St. John's to the St. Rose campus to take care of the overcrowded conditions caused by the closing of schools at High Hill, Ammannsville, Holman, St. John, and Hostyn. This building was replaced in 1984 by a modern structure named St. Rose Annex.

In September 2000 new playground equipment was purchased at a cost of \$33,000 this project was made possible by individual and Home & School Assn. donations and a loan from the church.

In January 2002 ground was broken for the St. Rose Family Life Center. Bishop David Fellhauer blessed the new addition in January 2003. The center meets the need for a full size gym, drama stage, and meeting room. Funding for this project was made possible from grants, memorials, individuals and annual fundraisers.

In August 2007 thirty new flat screen computers and a server were installed throughout the school and computer lab. They were funded by a Kenedy Foundation grant award and The Schmidt Family Foundation.

In October 2007 a St. Rose of Lima Statue and walking rosary memorial garden were blessed and dedicated by Bishop David Fellhauer. They stand in front of the main building and were donated in honor of Mr. Fred Lero by his wife, family and friends.

In July of 2008 the cafeteria ceiling, floor and workroom were renovated. This project was supported by the H.S.A., and private donations.

In April of 2009 the school acquired the Stanzel home and lot located directly across the street from the main building with a grant from the Schmidt Family Foundation. The facility was renovated in the summer of 2009 into an educational facility St. Rose of Lima Catholic School Early Childhood Center for 3K and 4K classes. Building renovations, furniture, yard, fencing, playground, and landscaping were financially supported by donations, loan, and school operations.

The 2009-2010 school year marked the 120th anniversary of St. Rose of Lima Catholic School. Celebration began on Sunday, August 16 at 7:30 a.m. mass celebrated by Bishop David Fellhauer. The parish and community were invited to the mass, a pancake breakfast, and the dedication and blessing of the Early Childhood Center. Open House followed the festivities and was held throughout the day including the annual school orientation for parents of enrolled students.

In August 2009 the school library in the Annex building was renovated, removing the wall partition, adding countertop for eight computer work stations, closing the dual restroom entrances creating a book shelf wall. The project was supported by donations and library funds.

In June 2010 a grant of \$20,000 was received from John G. and Marie Stella Kenedy Memorial Foundation to replace the roof on the 1984 Annex Building.

In December 2010 a private donation supported the purchase of fourteen new 21.5 inch flat screen Dell computers for all teachers and office personnel allowing theirs to be used as student computers.

At the Early Childhood Center in May 2011 a playground was installed in the yard and a storage building placed on the cement slab area vacated by the old chapel structure. Donations, fundraisers, and a grant supported these items. An

additional six computers were installed in the lab September 2011. New lighting was installed in all classrooms and offices for the 2011-2012 school year.

The Marti Love Children's Chapel and Jack Hooper prayer garden was dedicated May 2012 by Bishop David Fellhauer; paid by fundraisers and donations.

An HVAC project and new suspended ceiling for the 1950 Main building was completed in July 2012 being supported by grants and donations.

New mini blinds were installed throughout the main and annex buildings in January 2013. Then in April additional security fencing and gate were installed completing gating the campus. In June and July 2013 the main and annex building interiors were repaired and painted. Bathrooms in both buildings were renovated creating a separate adult restroom in each building. All exterior entrances received a non-skid surface application in place of the worn carpet. Grant funds, donations, fundraisers, and operations paid for the projects.

During July and August 2014 carpet tiles were installed in 3 main building classrooms, plank vinyl in the annex hallway and carpet in the library. A wall was removed in the ECC building combining two classrooms into one for 4K. The entire campus technology infrastructure was updated and wireless access points installed. Grant funds and donations supported these items.

In July 2015 carpet tiles were installed in 3 main building classrooms and plank vinyl in the hallway. The entire ECC interior was repainted and bricks above windows on all main building classrooms were sealed. Additional wireless access points were installed to enhance connections for all school buildings and the family life center meeting room. Grant funds supported these projects.

A very dedicated Home and School Association, as well as many benefactors, support St. Rose of Lima Catholic School financially.

Along with a sound academic program for students in Pre-Kindergarten through Eighth Grade, St. Rose provides religious, moral training. Staff and pupils form a faith community where respect and love for God and for one another is evident.

FEES

All fees are due by the 10th of each month. ATTENDANCE

In compliance with Texas Catholic Conference Education Department (TCCED) and the State of Texas Family Code, St. Rose of Lima Catholic School follows compulsory attendance laws.

Parents and/or Guardians are expected to honor the school calendar established and published by the school at the beginning of each academic year.

Daily attendance is the only effective way to assure continued academic progress. Elementary students **MUST** be in attendance a minimum of 160 days a school year.

Students are expected to be present and punctual for all classes. A written excuse from the parent or guardian is required for all absences and tardiness. Parent should call the school office by 9:00 a.m. when a student is absent. Students are considered absent for the morning if they leave before or arrive after 10:00 a.m. Students who leave before or arrive after 1:30 p.m. are considered absent for the afternoon. Students leaving before the dismissal bell will not be eligible for "Perfect Attendance".

STUDENT ABSENCES

Absence is defined as not being present at school during the required hours of the school day. Absences cause a student to fall behind in assignments and miss important instruction time with the teacher and scheduled school activities.

School absence is categorized in the following manner:

Family Emergency - A death in immediate family and serious or prolonged illness is always handled on an individual basis. Special care and consideration for the student and his/her family dictate the procedure the principal will authorize in such circumstances.

Absence Due to Illness - If a student is unable to come to school due to illness, the parent and/or guardian is expected to notify the school office by 9:00 a.m. and send a written note or a doctor's note (may be requested by principal) with student upon return to school. Ordinarily one school day is allowed for each excused absence day for make-up of assignments unless sufficient advance notice and due dates were established.

Absence for Other Reasons - When a student is absent from school for any reason other than a doctor's appointment, illness or family emergency, **the school staff is not obliged to provide special services when a parent opts to schedule activities that warrant student absence on compulsory attendance days as indicated on the annual school calendar. It is the responsibility of the student to obtain and complete assignments missed while absent and to make arrangements for "make-up" or other help needed. All assigned work due during scheduled absence must be turned in to the teacher prior to scheduled absence.** On extended absences, the student must make individual arrangements with the teacher with the approval of the principal.

DISCIPLINE BEHAVIOR POLICY

General Guidelines

At St. Rose of Lima Catholic School we believe that good discipline is a prerequisite for effective teaching and learning. Students are expected to act in such a

manner to make St. Rose of Lima Catholic School a center of Christian social living and to enable them to acquire the fullest education possible. They are to be helpful to the good order of the school, to themselves and fellow students. They will be held accountable for conduct, whether on-campus or off campus, that is detrimental to the school's reputation.

Every student in St. Rose of Lima Catholic School is expected to follow the example of Christ; to manifest Christian character. Students are expected at all times to conduct themselves in a manner reflecting credit to their parents and their school. Regulations are not intended to place undue restrictions on students, but rather to encourage all students to be well mannered and considerate of others and to conduct themselves in such a manner that they will be a credit to St. Rose of Lima Catholic School.

The classroom behavior management curriculum used by St. Rose School faculty and staff is the Loving Guidance Conscious Discipline Program.

Specific Regulations

The above guidelines are for students to judge whether their actions are proper for school. There are specific behaviors; however definite regulations have been set.

Suspension

Suspension is defined as a temporary dismissal of a student from the classroom. Suspension may be in-school or out-of-school.

St. Rose of Lima Catholic School, realizing its obligations to the students, makes every reasonable effort to assist students to adjust to the social and academic requirements of the school environment. Decisions to suspend a student follow only after other means of motivation have failed and/or behavior or disruption necessitate this extreme action. In reaching such decision, consideration is given to the welfare and Christian development of the individual, the common good of the entire student body, and the positive teaching/learning environment.

After consultation with the student about the incident, the principal will notify the parent/guardian by phone and provide written notification to the student and the student's parents/guardian of (a) reason(s) for suspension; (b) time/length of the suspension; (c) whether suspension is in-school or out-of-school; and (d) requirements for reinstatement.

Expulsion

Expulsion is an extremely serious matter and other possible solutions should be explored with parents/guardian. When expulsion becomes a consideration, the principal shall advise parents immediately and urge them to take advantage of assistance which could help the student with his/her difficulties.

A student may be expelled after other means of discipline have failed. For very serious reasons, a student may be expelled after a single violation if, in the judgment of the principal, his/her continued presence in the school would seriously hinder the school in fulfilling its obligation to the other students.

Expulsion of a student is reserved to the principal by the following procedures:

1. The principal shall consult with the Superintendent before the release of any statement of dismissal.
2. Upon parent request, the principal shall present a written statement of dismissal to the parents within two days. This statement shall include reason(s) for dismissal and a listing of efforts made to help the student to avert dismissal. St. Rose of Lima Catholic School will attempt to assist the parents/guardian in placing the student in another learning environment better equipped to meet the child's needs.
3. The principal shall place a copy of the statement of dismissal in the student's file.

Immediate Expulsion

Immediate expulsion can take place when a student:

- Participates in disruptive activities by a group such as gangs;
- Possesses, uses, or delivers cigarettes, narcotics, dangerous drugs or alcohol on school campus or school sponsored activities;
- Possesses, uses, or conceals a weapon (a weapon is any instrument which may produce bodily harm or death) on school property or at a school related activity;
- Threatens bodily injury or harm to a student/school personnel;
- Assaults a student or any school personnel with resulting serious physical injury;
- Vandalizes school property or the property of others;
- Engages in chronic/repeated behavior that disrupts teaching/learning environment.

Action of Parent/Guardian

The disruptive, threatening or illegal behavior of a parent/guardian may result in the expulsion of that student.

Classroom Behavior Policy

Each student is responsible to do the following:

1. Raise your hand and wait your turn to speak.
2. Keep hands, feet and objects to yourself.

3. Have all necessary material – textbooks, paper, pencils, homework, etc.
4. Stay in your seat at appropriate times.
5. Follow directions of the teacher/supervisor.
6. Respect the teacher and all classmates.
7. Keep books and other supplies off the floor for safety.

Threats

Any threat of bodily harm or threat of the possession of a weapon shall be taken seriously. Student, parents and staff shall be responsible to report to the administration any knowledge of verbal or written threats. Any such threat and any false reports of such threats may result in immediate suspension or expulsion. A threat shall be defined as any verbal or written comments intended in jest or otherwise, which would cause alarm to the school and anyone in it.

SUBSTANCE ABUSE POLICY

No student shall possess, use or attempt to possess, use or be under the influence of any of the following substances on school premises during any school term or off school premises at a school related activity, function or event:

1. Any controlled substance or dangerous drug as defined by law, including but not limited to marijuana, any narcotic drug, hallucinogen, stimulant, depressant, amphetamine, or barbiturate.
2. Alcohol or any alcoholic beverage.
3. Any abusable glue, aerosol paint, or volatile chemical substance for inhalation.
4. Any other intoxicant, or mood-changing, mind-altering, or behavior altering drug not authorized by a licensed physician through a prescription specifically for the student's use.

Students who violate this policy shall be subject to disciplinary action including expulsion. Desks and other personal property may be searched by administrators for alcohol, drugs, and other controlled substances. The transmittal, sale or attempted sale of what is represented to be any of the above-listed substances is also prohibited under this policy. Students involved in such actions shall be expelled from school.

SEXUAL HARASSMENT

Sexual Harassment is immoral and reprehensible and will not be tolerated at St. Rose of Lima Catholic School. It subverts the mission of Catholic Education and threatens the careers, educational experience and well-being of all affected persons. In both obvious

and subtle ways, the very possibility of sexual harassment is destructive to individuals and to the school community as a whole. Harassment involving any student or staff member shall be investigated, and appropriate remedial action shall be promptly taken.

Students making such threats, seriously or in jest, or online, may be liable to suspension and/or expulsion.

INTERNET HARASSMENT OR BULLYING

Engagement in online blogs such as, but not limited to, FACEBOOK, INSTAGRAM, SNAPCHAT, TWITTER, email, etc., may result in disciplinary actions including suspension and/or expulsion, if the content of the parent's or student's message includes defamatory comments regarding a Catholic school, school personnel, other students, the parish, or the diocese.

SEXTING

A harmful and dangerous practice that typically occurs when students use cell phones to send others sexually explicit messages or images electronically, primarily between cell phones.

Any behavior (on-campus or off-campus) which is illicit, immoral, or illegal and/or which reflects adversely on the school, subjects the student to disciplinary action, which could result in immediate suspension and/or expulsion. Promotion/Retention

The promotion or retention of a learner should be based primarily on the degree of achievement of the specific objectives of the grade or course. A learner who has not achieved satisfactorily in a grade or subject should repeat the subject or grade. To permit a learner to take a course for which he or she does not have the proper preparation is an injustice to him or her, to the other learners, and to the teacher. There may be cases in which ability, effort, interest, and other factors must be weighed. In such cases, the principal's decision will be final.

Parents shall be informed of possible non-promotion by the teacher with approval of the principal at the beginning of the second semester or as soon as this becomes evident. Field trips should be related to the curriculum. Trips are planned by classroom teachers with principal approval. Adequate transportation and supervision must be available. Generally, educational trips taken by students in the primary grades (3K – 4) should be within a close distance. Field trips are a privilege, not a right. Students exhibiting inappropriate behavior in school will not be allowed to accompany their class on field trips. Since the school is responsible for students while on a field trip the following rules must be followed:

1. Orderly behavior at all times.
2. School uniform unless otherwise approved by the principal.
3. Respect and cooperation with the driver, teacher, and chaperones.
4. All chaperones must have Diocesan safe environment training.

Late notices will be sent to parents through RENWEB ParentsWeb and/or a hard copy for their signature. Any assignment not turned in the following day will be recorded as a zero and when received will result in a 10 point deduction per day up to three days, the assignment will remain a zero after the three day period. The lowest daily grade may be dropped at the end of the grading period at each teacher's discretion.

APPEALS PROCESS

Although the Diocese of Victoria endeavors to establish a harmonious Christian atmosphere within its schools, it recognizes that misunderstandings or differences of opinion sometimes occur. Ideally, such matters can be resolved informally by a parent or guardian meeting with the immediate authoritative person to discuss the matter. If, however, the matter is not then settled to the parent or guardian's satisfaction, and the parent or guardian believes the dispute to be a misapplication or misinterpretation of a school related policy, only then may the parent or guardian institute a formal grievance. A formal grievance must be in writing and must be received in five (5) working days following the occurrence of the event on which the grievance is based. Please contact the principal for a copy of the Diocese's current appeals/grievance procedure for further details. Also, please note that the current policy supersedes and replaces all previous policies and statements regarding institution and processing of formal grievances within Catholic Schools of the Diocese of Victoria.
