Principal's Message

Welcome Back! It is so exciting to have the St. Rose of Lima Catholic School family together again as we begin our 128th year of "Excellence through Jesus!" We are so happy you have chosen to experience the celebration of family and education with us here at St. Rose School. These are truly gifts from God and precious in our hands to develop and grow. The teachers have been working hard preparing their rooms and are enthusiastic and ready to implement many new ideas they have learned over the summer at workshops. Let's work, pray, learn, play and have fun together! Congratulations to our cheerleaders and pep squad who started the year off successful winning first place in the local parade! Go Cardinals!

All the teacher computers were replaced with new ones. The old ones were refurbished and put in the learning lab which now has 16 stations available for grades PreK-4. This was supported through grant funds and donations from Friends for Catholic Education, Knights of Columbus, and anonymous. Some minor repairs were done along with the touch up painting, floor cleaning, and alarm checks in all buildings. These costs were all supported through school operations. Additional cleanup and repairs were provided by dedicated parents and volunteers to the school and listed under the thank you section of the newsletter. We couldn't maintain our budget without wonderful volunteerism from our school family and benefactors.

In the words of Pope Francis: "Catholic Education is about working toward advancing the common good, touching hearts and changing attitudes." His words to live by: "Faith, Honesty, Respect, Character, Scholarship, Mercy, and Love." That's what we try to teach and accomplish daily here at St. Rose.

Thank you once again for choosing St. Rose of Lima Catholic School where we are ready to serve by living the faith, striving for excellence in academics and athletics teaching our students to serve for tomorrow! Let's all have a wonderful year at St. Rose School – a great place to be! I am looking forward to seeing each and every one of you!

Take Care and God Bless!
